THE SHOW HUNTER - Standard & Requirements Criteria

The Show Hunter Class has been created for the horse which demonstrates a bit more substance than that which is generally seen in an open hack class but it is expected to demonstrate the ability to provide a smooth, even ride and reliable temperament. The Show Hunter should exhibit sound conformation, be free from hereditary defects and unsoundness. It should demonstrate that it is sound in wind and limb but as it is expected to carry its rider across country over a variety of terrain and obstacles, an honourable bump or lump can be overlooked

The Show Hunters compete on the flat only and do not need to prove they can jump. The work-out should be similar to that expected in an open hack class but should include a hand-gallop and a change of leg at the canter. It must cover the ground in all paces, with the hand-gallop being well balanced and moving from the shoulders, with the hind legs well under. A flat and stilted action is unacceptable.

Manners are extremely important and all misdemeanours should be penalised. Saddlery should be clean, neat and well-fitting but may be more workmanlike than normal for an open hack class. Biting is optional
